

March 1, 2010

Ladies,

Our next meeting will be March 10th. Cindy Townsend with TLC will be our guest speaker to talk about Perennial's and Spring flowers and plantings. The nominating committee will present the slate of officers for the coming term.

Once again the Valentine Basket was a huge success; we raised \$750.00 which will go in our General Operating fund. Robert Jensen from Howell-Stone Agency was the big winner. If you see Becky Duckworth join me in giving her a great big Thank You for an awesome job.

Regional's is just around the corner and I wish each of you were going. It's hard to believe we Spring forward on March 14th. After the winter we've had I think we're all looking forward to signs of Spring. Don't forget St. Patrick's Day is March 17th!!!

I look forward to seeing everyone at the meeting.

Respectfully,
