## **President's Message**

Hi, this is Carol Hollomon, Immediate Past President. Debbie Diettrich was not able to attend our March meeting and asked me to preside over the meeting and do the President's Message this month.

We had a great meeting. Our speaker was Linda Sheppard from the Kansas Department of Insurance. She spoke on the pending legislation regarding Health Care Reform. I know many of us wished we had another two hours for her to speak. She was very interesting and gave us all LOTS to think about. I want to personally thank Sandy Chamberlain for arranging for Linda to speak with us.

We asked for volunteers for the Nominating Committee. Margie Brown, Barb Deitrich, Kelly Downing and I volunteered. We will be contacting other members to see if we can get a committee of six for this very important committee. We will present the slate of officers at the April meeting. If you have an interest in being on the board in any capacity please contact me or one of the other committee members. We need you!

We have such a good time at our meetings and our programs are interesting and informative. If you haven't attended a meeting lately, please plan to join us. Our April meeting is going to be exceptional and you will get CE credits too. (Information pertaining to the speaker will be listed later in the newsletter.) The April meeting date is April 8th. Mark it on your calendar right now!

### **WE NEED YOUR APPLICATIONS FOR**

Rookie of the Year

Claims Professional of the Year

Professional Underwriter of the Year

Risk Management Professional of the Year

Please take the time to complete the necessary paperwork in order to represent IAOSKC at our Kansas Council meeting to be held in October.

Applications need to be returned to me by April 8, 2010. You can email, fax or bring them to our April dinner meeting. If you need help completing the form we will help you. But PLEASE let's don't go to Council without applicants for these positions. Our own Sue Hickman is Kansas Council Director and I think it would be a shame not to have someone from her own association represented at that meeting.

The applications and requirements are attached. PLEASE, PLEASE, PLEASE COMPLETE AND RETURN - WE NEED YOU!!!

Carol Hollomon

Immediate Past President
