From the President

IAOSKC Members:

We had a very enjoyable meeting for the month of May with the topic being NAIW. Cheri Bailey educated us on how it began and where it is today. Kelly Downing got on the NAIW website and did a demo on how to update your profile. It is basically set up like Facebook. I would appreciate if all of the members would log in on the website and update their profile and surf around the new website.

The dinner was Lasagna with salad and huge piece of chocolate cake for dessert. Next month's dinner is BBQ Brisket, and the meeting has been changed to June 17, 2010 instead of June 10th because of National Conference is that week.

I would like to thank all of the members of IAOSKC for a fabulous year as being your President as my time is up in June. Each and every one of you have helped me grow professionally as well as personally. I really enjoyed being the 'BOSS'. I will continue to attend and be a member of IAOSKC and volunteer to help out whenever I am needed. It has been quite an experience for me. I encourage those of you that have not yet started going up the ladder to seriously think about it. Your horizons will take you places in your life that you thought were never possible. I would also like to encourage the ones that have never participated in CWC, to do so, as it helped me a lot to be able to speak in front of others.

The June meeting will have a piece on Driving while Texting and Going Green. Hope to see you all in June for the meeting and to here the exciting events that were involved at National.

Sincerely

Debbie Diettrich, ASLI, AIS, CPIW

Big Brothers Big Sisters Bowl-A-Thon

I am looking for one more person to be on the bowling team for Big Brothers Big Sisters Bowl-A-Thon. The date to bowl is July 17 at 6:30pm. We bowl for an hour and you get free drinks and pizza. It will be at the Lucky Strike Bowling Alley at 7 Highway in Blue Springs, MO. I will be happy to pick up anybody or you can come to my house and I will drive. Let me know within the next month.

I appreciate any help with this that I can get.

Sandy Chamberlain
